

A Great Holiday

Tom and Jane are a young couple. They live in London. One day, they decide to go on holiday. They talk about different cities. Tom says, "Let's go to Frankfurt. It is in Germany. I want to see the big buildings." Jane says, "Yes, that sounds nice. I also want to eat German food." They book their flight and hotel online. They are very excited.

On the day of the trip, they wake up early. They pack their bags and go to the airport. They check in, get their tickets, and wait for the plane. Jane is a little afraid of flying, but Tom tells her, "Don't worry. Everything will be fine." Soon, they get on the plane. The flight is not very long. After about two hours, they arrive in Frankfurt.

Frankfurt is a big city. It has many tall buildings and busy streets. When Tom and Jane come out of the airport, they take a taxi to their hotel. The hotel is near the city center. It is not very big, but it is clean and comfortable. The receptionist gives them the key. They go to their room, leave their bags, and rest for a short time. Then they go out to explore the city.

Their first stop is Römer Square. It is very famous. There are many old houses and nice cafes. Jane takes many pictures. Tom buys two cups of coffee. They sit outside and watch the people. The weather is sunny and warm. They feel happy.

After coffee, they walk to Frankfurt Cathedral. The cathedral is very tall and beautiful. They go inside and look at the windows and the high ceiling. Jane whispers, "It is so quiet here." They sit for a few minutes. Then they go outside again and take more pictures.

Next, they visit the Main Tower. It is one of the tallest buildings in Frankfurt. They take the elevator to the top. The view is amazing. They can see all of Frankfurt from up there. Tom points and says, "Look, that must be the river

Main!” Jane smiles and takes a photo. They stay for a while, looking at the city from above.

In the evening, they go to a restaurant. They want to try German food. Tom orders sausages and potatoes. Jane orders schnitzel. The food is delicious. Tom also drinks a glass of German beer. Jane drinks apple juice. They talk about their day and laugh a lot.

The next morning, they wake up early again. They have breakfast at the hotel. There is bread, cheese, eggs, and jam. Jane loves the bread. After breakfast, they go to a park. The park is very green and quiet. They walk slowly and watch the birds. They sit on a bench and enjoy the fresh air. They take a selfie together.

After the park, they go to a museum. They choose the Städel Museum. It is very famous. Inside, there are many paintings and sculptures. Jane loves art, so she is very happy. She spends a lot of time looking at the paintings. Tom likes the modern art section. He says, “This one is very strange, but I like it.”

In the afternoon, they walk near the river Main. Many people are riding bicycles or running. Some people sit on the grass and talk. Tom and Jane buy ice cream and sit near the water. The sky is blue, and there are boats on the river. It is very peaceful.

On their last day, they go shopping. They buy some souvenirs for their family and friends. Jane buys a small snow globe with Frankfurt’s skyline inside. Tom buys a T-shirt. They also buy some chocolate to take home.

Before leaving, they eat lunch in a small café. They talk about their trip. Jane says, “I really liked this holiday. Frankfurt is a beautiful city.” Tom nods and says, “Yes, we saw many places and ate good food. I want to come back one day.”

Finally, they go back to the airport. They take the plane to London. On the plane, Jane looks out the window and smiles. She thinks about all the nice memories they made. Tom closes his eyes and takes a short nap. When they arrive home, they are tired but very happy. They know this trip will always be special for them.
